TransWonder

Transporter Management Solution on Tally.ERP9

This module serves the following trading business segment:

Transportation – hiring owner's vehicles for transportation & uses Own Vehicle.

This segment has several pain points around managing Party, Lorry owners, Commission agent and tracking commission. These are not adequately addressed by the standard Tally.ERP9 solution. Businesses risk losing money, reputation and customers.

To help solve these issues for all such vendors facing similar problems, Milan has TransWonder.

Features of TransWonder

Transwonder is a solution built on Tally.ERP that manages:
